TEACHING

- I regularly teach in the SCOM area. Courses I have taught include:
 - MGT 302
 - MGT 457*
 - MGT/MKT 498
 - MGT 602*
 - MGT 627*
 - MGT 657*
 - MGT 490 (5) Most recent J terms 2015- 2019
 - SAN 484*

* no longer offered

- Program development:
 - SCM minor (interdisciplinary so no thematic sequence needed)
 - Along with Mark Hanna and Tom Speh followed by a vote of other SCM faculty. 1999
 - SCM major
 - The major was developed along with Mark Hanna and Tom Speh followed by a vote of other SCM faculty. I also chaired the conversion from separate SCM and OM majors into the SCOM major though the final faculty vote took place the semester I was on ARL and not chairing the committee. 2000
 - Summer Business Institute
 - I chaired the oversight committee and direct the program. We have implemented a continuous process of improvement in the program. 2004
 - During the first year, we revamped the program to include faculty feedback from the previous years concerning content and rigor. Plant tours were implemented
 - The second year, I championed the effort to gain 3 separate course permanent designations and obtain designation as a MLEP Thematic sequence. Efforts to market the program were implemented.
 - During the third year, a successful European module was developed and executed.
 - In the fourth year, ongoing marketing efforts were formalized through relationships with other divisions (e.g. EDL 100 presentations, freshman orientation) and a multi city European plan implemented.
 - This program has never failed to return a surplus while I have been director. A 3rd year review of my leadership was overwhelmingly positive.

PROFESSIONAL SERVICE:

Service to Professional Organizations

- Served as a paper reviewer, discussant, session chair, session organizer, and invited panelist for several organizations at the local, regional, national and international levels. These organizations include the Institute for Supply Management, The Council

for Supply Chain Management Professionals, Production and Operations Management Society, Decision Science Institute, Institute for Supply Management, The Academy of Management, American Production and Inventory Control Society, The Institute of Management Science (now INFROMS), and the International Business School Computer User Group. I am most heavily involved with the Decision Science Institute at the national level and regional level (Midwest) where I have been a paper reviewer for at least one track and a paper discussant every year since 1989. I have been a paper reviewer for the International Decision Science Institute since its inception in 1991.

- I have been an officer for the Midwest DSI for more than 10 years including Program chair and President in both 2003 and 2009 where I organized and hosted the annual meeting here on campus (Marcum). The conferences was attended by over 100 academics from more than 30 schools and 10 states.
- I was awarded the MWDSI “Fellow” distinction in 2011.

Past Refereeing

- Editor in Chief, *Mid-American Journal of Business* (2years, associate editor for 4 years)
- Editorial Review Board, *Mid-American Journal of Business*
- Editorial Review Board, *Journal of Quality Management*
- Editorial Review Board, *Journal of Operations Management*
- Editorial Review Board, *International Journal of Services and Operations Management*
- I have also been an ad hoc reviewer for:
 - International Journal of Operations and Production Management*
 - Decision Science*
 - International Journal for Production Research*
 - The Journal of Operations Management*
 - Industrial and Labor Relations Review*
 - Mid-American Journal of Business*
 - Journal of Business*
 - Journal of Quality Management*
 - Quality Management Journal*
 - European Journal of Operational Research.*
 - International Journal of Operations and Quantitative Management*
 - International Journal of Services and Operations Management*

- I have provided external promotion and or tenure research reviews for several schools including:
 - University of Toledo, (tenure & promotion to associate professor)
 - University of Rhode Island, (tenure & promotion to associate professor)
 - Carrol College, (tenure & promotion to associate professor)
 - DePaul University, (tenure & promotion to associate professor)
 - East Carolina, (promotion to full professor)
 - Indiana University, (tenure & promotion to associate professor)
 - Kansas State University, (tenure & promotion to associate professor)
 - North Carolina State, (tenure & promotion to associate professor)
 - Northern Illinois University, (2-tenure & promotion to associate professor, 2 promotion to full professor)
 - Ohio University, (3- tenure & promotion to full professor)
 - Penn State (tenure & promotion to associate professor)
 - Seattle University (tenure & promotion to associate professor)
 - University of Texas –Arlington (promotion to full professor)
 - University of St. Thomas (MN), (1-tenure & promotion to associate professor, 1 promotion to full professor)
 - University of North Florida (promotion to full professor)
 - University of West Virginia (promotion to full professor)
